1. Varies with user weight, terrain type, battery amp-hour (Ah), battery condition and tire condition. This specification can be subject to a variance of (+ or -) 10%.
2. Due to manufacturing tolerances and continued product improvement, this specification is subject to a variance of +/- 3%.
3. AGM or gel-cell type recommended.
4. Battery weight may vary based on manufacturer.
5. Tested in accordance with ANSI/RESNA, WC Vol 2, Section 4, and ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.

The information contained herein is correct at the time of publication. We reserve the right to alter specifications without prior notice.
FEATuRES

- Feather-touch disassembly permits simple frame separation with only one hand
- A standard front basket provides ample storage
- Auto-latching lockup mechanism
