| Size: (2) 12 AH  
| Weight: 4 kg each (2 required)  
| or Size: (1) 11.5 AH (lithium-ion)  
| Weight: 2.3 kg (optional)  
| Battery Charger | 2-amp, off-board (sealed lead acid) or 2.5-amp, off-board (lithium-ion)  

---

1 Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition, and tire condition. This specification can be subject to a variance of (+ or -) 10%.

2 Tested in accordance with ANSI/RESNA, MC Vol2, Section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.

3 Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or -) 3%.

4 Battery weight may vary based on battery manufacturer.

---

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3%. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.
Ready for transport and easily folded, the Go-Go® Folding Scooter is perfect for the active lifestyle. It offers great performance indoors and out at a maximum speed of 6.4 km/h and a range per charge of up to 21 kilometers. It fits perfectly inside any closet, corner, or vehicle trunk.

Additional Features
- Easy to transport at home, hotels, or airports
- Can be stowed upright or laid down
- Articulated front end adds greater stability
- Folded: 30"H, 19"W, 18”D
- Available with standard sealed lead acid or upgraded lithium-ion batteries

Colour
White

Accessories
- Armrests
- Weather cover

Note: Transport of this item on commercial aircraft is subject to federal regulations and airline policy. Please consult your airline prior to your flight to ensure your Go-Go® Folding Scooter and its lithium-ion battery is permitted.
