No matter the season or the situation, the patented and award-winning CoolCore fabric wicks moisture away from your body, helping keep you dry and comfortable. The chemical-free blends of the fabric also help with moisture transportation and moisture evaporation, making our cushions cooler and last longer.

Disclaimer: HCPCS codes provided should not be considered as legal advice and do not guarantee reimbursement. Payer coding, coverage, and bundling guidelines may apply. Stealth Products, LLC’s review of Medicare guidance suggests that accessories acquired at zero-dollar net cost may not be eligible for separate Medicare reimbursement despite being separately coded and eligible to be unbundled in the rest of the purchase. DME providers are responsible for determining the appropriate billing codes when submitting for insurance reimbursement. Stealth Products, LLC recommends that providers seek competent legal advice to assure a compliant Medicare billing protocol.

HCPCS codes provided should not be considered as legal advice and do not guarantee reimbursement. DME providers are responsible for determining appropriate billing codes when submitting for insurance reimbursement.
**CUSHION COLOR GUIDE**

To make your cushion selection process easier, Stealth Products Cushions are marked with a color coded patch. The color of the patch identifies the function and HCPC code of the cushion.

**Cushion Legend**
- **G** = General Use
- **P** = Positioning
- **SP = Skin Protection**
- **ASPP = Adjustable Skin Protection**, **Positioning**
- **C = Custom**

---
