A SMOOTH RIDE for Your Active Lifestyle

The Victory® 10 LX with CTS Suspension offers a smooth ride with performance to match. Comfort-Trac Suspension (CTS) is the next generation in mobility scooter ride comfort. This industry first technology incorporates advanced suspension components for improved absorption over rough surfaces and a more comfortable ride experience over various terrains.

- Cane/crutch holder (single, double)
- Cell phone holder
- Cup holder
- Forearm crutch holder
- Oxygen tank holder
- Quad cane holder
- Rear basket
- Saddlebag
- Safety flag
- Walker holder
- Weather cover
- Wishbone crutch holder
- XLR USB charger

Optional Seating
- Medium-back, deluxe contoured seat
- High-back, deluxe contoured seat (16” x 16” x 22” x 20”)

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tire condition. These specifications can be subject to a variance of (+/- 10%).

Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or – 3%). AGM or gel cell type required. Tested in accordance with ANSI/RESNA, WC Vol2, section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity. Battery weight may vary based on manufacturer.
